

FULL SCHOOL RETURN - COVID-19

[Back to index](#)

HAZARD	RISK GROUP	RISK	CONTROL MEASURES (Describe the existing workplace precautions and risk control systems in place)	Comments and Actions	Residual Risk Rating H/M/L	Additional action Required?	
						Yes	No*
Exposure to COVID-19 <ul style="list-style-type: none"> The virus is spread in minute water droplets that are expelled from the body through sneezing, coughing, talking and breathing. The virus can be transferred to the hands and from there to surfaces. It can survive on surfaces for a period after transfer (depending on such things as the surface type, its moisture content and temperature). 				<ul style="list-style-type: none"> <u>See detailed hazards and actions below.</u> <u>Social distancing will be adhered to wherever it is feasible to do so throughout this Risk Assessment.</u> 			
Critical workers children and Staff only in school	Pupils Staff Parents Others	Spread of Infection	<ul style="list-style-type: none"> During National Lock down, only critical worker children permitted in school. Staff and Parents will follow the same control measures as previously stated. 	<ul style="list-style-type: none"> No longer applicable from 8 March 2021 	M		✓
Full return back to school from 8 March 2021	Pupils Staff	Spread of Infection	<ul style="list-style-type: none"> All pupils will be expected to return back to school Staff and Pupils will follow the same control measures as previously stated. 	<ul style="list-style-type: none"> Updated RA circulated to all staff and updated on website for parents. 04.03.2021 Updated RA to be circulated to all staff and parents and updated on website. 19.05.2021 TJS 	M		✓
Pupils and staff coming into close contact with person tested positive for COVID	Pupils Staff	Risk of spread of infection	<ul style="list-style-type: none"> Pupils, and staff coming into contact with a positive case must self-isolate at home as they are at a greater risk of having contracted the virus and could pass this on to others. This is in-line with the guidance for all other sectors of the community and NHS Test and Trace guidelines. 	<ul style="list-style-type: none"> 			

Arriving to school	Pupils Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> Inform Parents of the entrance and exit points in advance to the new term starting via letter or other communication systems. Consider where possible, having a one-way system introduced when parents bring pupils to school Parents wishing to talk to staff must make an appointment (first instance telephone conversation) Social distancing between adults (Parents and Staff) to be adhered to. From 04.01.2021 – all parents/carers entering onto the school site are required to wear a face covering. 	<ul style="list-style-type: none"> Separate entrances so no one way system required. Inform parents of arrangements for drop off and collection procedures to reduce adult to adult contact Bagels will not be available in the first week whilst new arrangements are bedded in. Will be reviewed after that. Parents to be informed. 30.09.2020 – Bagel situation reviewed. Still not in a position to be able to reinstate. Bagel and cereals will be handed out to families instead. Transport plan from LA reviewed – TW Bagels now being provided, revised systems in place to ensure Covid complaint processes. 04.01.2021 TJS 	M		✓
School Uniform	Pupils	Infection Control	<ul style="list-style-type: none"> Pupils are to attend school in school uniform as these are easily cleaned (washing machine) They do not require cleaning any more than usually. 		L		✓
Face Coverings	Pupils Staff	Risk of Spread of Infection	<ul style="list-style-type: none"> Signs or posters in place on how children remove face masks correctly or information given on newsletters prior to start of new term. Removal of face masks at the school gate for Pupils and Staff. Staff and Pupils to ensure they remove masks correctly and remove without touching the front of the mask (remove by loops on ears) 	<ul style="list-style-type: none"> Donning and doffing instructions in each classroom in Covid Caddie. TJS to ensure in each classroom, currently only in 'bubble rooms'. Process of 'removal of masks' at the school gate to 	L		✓

			<ul style="list-style-type: none"> • If disposable masks these must be disposed of in a closed bin. • If material re-use masks these should be placed inside a disposable bag and taken home to re-wash before reusing. • Consider wearing face coverings when in communal areas and moving around the school site • Wear face coverings when speaking with Parents. 	<p>be determined and communicated.</p> <ul style="list-style-type: none"> • Parents to be made aware re the need for a 'plastic bag' for all reusable masks. Posters school entrances TJS Done 10.09.2020 • All parents/carers have been contact to request that they wear a face covering whenever on the school site 04.01.2021 TW • PPE available for staff if they wish to wear face coverings whilst in school. 			
All year groups returning to school	Pupils Staff Parents Others	Risk of Spread of Infection due to large groups of pupils	<ul style="list-style-type: none"> • From 8 March 2021 all primary school pupils are expected to return to school. • Consider staggered start and finish times for various year groups to reduce the amount of pupil numbers. • Consider one way system. • Consider various entrance gates for year groups. • Timetable and use of classroom/cloakrooms reviewed to reduce movement. 	<ul style="list-style-type: none"> • Staggered start and one way system considered, but not deemed necessary at this time. Parental reminder sent out via Class Dojo to remind them all of the requirement to social distance. TW 23.09.3030 • Nursery/Sparkles start times are already different from main school. • Separate/spacious entrances have deemed staggered times are not required. • Changes made to cloakrooms to reduce movement around school. • Will keep under review. .Reviewed TJS 04.01.2021 	L		✓

				<ul style="list-style-type: none"> All reviewed again – no change. TW/TJS 04.03.2021 			
<p>Prevention of Infection</p> <p>The following must be in place in schools at all times:</p>	<p>Pupils</p> <p>Staff</p> <p>Parents</p> <p>Others</p>	<p>Risk of spread of infection</p>	<ul style="list-style-type: none"> Ensuring that pupils, staff and other adults do not come into the school if they have coronavirus (COVID-19) symptoms, or have tested positive in at least the last 10 days, and ensuring anyone developing those symptoms during the school day is sent home, are essential actions to reduce the risk in schools and further drive down transmission of coronavirus (COVID-19). <p>All schools must follow this process and ensure all staff are aware of it.</p> <ul style="list-style-type: none"> If anyone in the school becomes unwell with a new and persistent cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection', which sets out that they should self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19). If they have tested positive whilst not experiencing symptoms but develop symptoms during the isolation period, they should restart the 10 day isolation period from the day they develop symptoms. 	<ul style="list-style-type: none"> Posters around school to inform all of this. Posters put up at entrances regarding Tier 3 restrictions. TJS 02.12.2020. No longer applicable as moved to Tier 4 on 30.12.2020. Tier 4 posters not put up as poster headline 'stay at home' deemed confusing for parents, when they have to leave home to bring their children to school. 04.01.2021 TJS Still N/A as no longer in Tiers. 04.03.2021. 			
<p>Prevention of Infection</p> <p>Must be properly considered and schools must put in place measures</p>	<p>Pupils</p> <p>Staff</p> <p>Parents</p> <p>Others</p>	<p>Risk of spread of infection</p>	<ul style="list-style-type: none"> Minimise contact between individuals and maintain social distancing wherever possible 1) minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school 2) Ensure face coverings are used in recommended circumstances. 	<ul style="list-style-type: none"> Details of how this being implemented is covered within this RA. 	M		✓

that suit their particular circumstances.			<ul style="list-style-type: none"> • 3) clean hands thoroughly more often than usual • 4) ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach • 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents. • 6) Consider how to minimise contact across the site and maintain social distancing wherever possible. • 7) Keep occupied spaces well ventilated. <p>In specific circumstances:</p> <ul style="list-style-type: none"> • 8) Ensure individuals wear the appropriate PPE where necessary. • 9) Promote and engage in asymptomatic testing, where possible. 				
Staff receiving child from Parent	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Staff will direct children to either use the hand sanitiser and proceed to their classroom (another member of staff supervise pupils) or they will be directed to the wash rooms to wash their hands (member of staff will supervise) • All pupils must wash their hands on arrival at school. • All hand washing must be for 20 seconds with running water and soap. They must be dried thoroughly. 	<ul style="list-style-type: none"> • Each classroom has its own sink, antibacterial handwash and hand santiser. • Teachers to monitor and return empty items to the school office to be replenished. 	M		✓
Children bringing equipment into school	Staff Pupils Others	Risk of spread of infection	<ul style="list-style-type: none"> • Pupils and Parents informed to keep items brought into school as a minimum • Only lunch boxes, coats, and bags permitted. 	<ul style="list-style-type: none"> • Cloakrooms have been swapped to reduce possibility of contamination between classes. 	M		✓
Classroom set up	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • The classrooms need to be set up with side by side seating (horseshoe or rows). • Tissues available in each classroom for pupils to use when coughing or sneezing and they must go into a closed bin after one use. 	<ul style="list-style-type: none"> • Actively teach 'Catch it, bin it, kill it' • TJS to ensure posters in all classrooms, not just bubble rooms. 	M		✓

			<ul style="list-style-type: none"> • Good ventilation maintained. 	<ul style="list-style-type: none"> • Children will require a labelled bottle for drinking water. No cups will be provided. • TW to source bottles that school could possibly buy. Done 01.09.2020 TW 			
Class / Year Groups	Staff Pupils	Infection Control	<ul style="list-style-type: none"> • Where possible children are to be kept in their class / year bubbles and not to mix with other bubbles. 	<ul style="list-style-type: none"> • 4 bubble groups have been set up as detailed below: <ol style="list-style-type: none"> 1. EYFS 2. KS1 3. LKS2 4. UKS2 • The size and cross over of staff within these bubbles has been reviewed but it is not currently possible to change these. 04.01.2021 TW • Infection Control Policy reissued to staff 04.01.2021 as a general reminder. TJS • Bubble groups to continue as as above. 04.03.2021 • Phonics teaching now covers 2 bubble groups, however the groups are small and consistent. 19.05.2021 TW • 3 bubble groups are crossed to allow AR quizzing to take place. The TA in the room, is instructed to keep a record of all pupils who attend so Track and Trace can be applied if necessary. 19.05.2021 TW 	M		✓

Classroom Lessons	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> Teaching staff must keep that safe distance where possible when teaching. Pupils old enough to understand will be informed not to touch staff and their peers where possible. Staff should avoid close face to face contact and minimise time spent within 1 metre of anyone. Removal of an unnecessary furniture. Good ventilation maintained. 	<p>02/12/2020 - Up until now all monitoring has continued, with a maximum time limit of 10 minutes in any classroom. The change in the definition of 'close contact' means that this will need to change to the following:</p> <ul style="list-style-type: none"> Planning Scrutiny, Book monitoring and Questionnaires/Surveys can all continue remotely. Classroom Observations, Learning Walks and Pupil Voice will not take place from 02/12/2020 until the end of Term. This will be reviewed in January 2021. Monitoring to remain as above. To be reviewed at half term, unless guidance changes before then. 04.01.2021 TJS Monitoring to remain as above until guidance changes. Learning walks and pupil voice can resume providing a list of all pupils and staff involved is kept. 19.05.2021 TW 	M		✓
Use of school resources in individual bubbles	Staff Pupils	Infection Control	<ul style="list-style-type: none"> Where possible keep the use of resources to each allocated bubble. Pupils should use their own pencils and pens and not share. 	<ul style="list-style-type: none"> Covid Caddie containing all cleaning equipment and PPE will be in place in each classroom. 	M		✓

			<ul style="list-style-type: none"> All classroom based resources i.e. books and games should be cleaned regularly along with all frequently touched surfaces. 	<ul style="list-style-type: none"> TJS to ensure Covid Caddies in each classroom. All done TJS 01.09.2020 Teachers to ensure cleaning takes place in their classroom. Covid Caddies to be checked and fully restocked for 08.03.2021. 			
Use of school resources shared between bubbles or classes	Staff Pupils	Infection Control	<ul style="list-style-type: none"> Shared resources between bubbles or classes should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. 		M		✓
Taking items/resources home	Staff Pupils	Infection Control	<ul style="list-style-type: none"> Unnecessary taking home of equipment / resources discouraged Cleaning as above if items are taken home. 		M		✓
Assemblies Collective Worship	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> Keep assemblies separate to individual bubbles 	<ul style="list-style-type: none"> Consider Assemblies of 2 'bubbles' distanced in Hall. Designated and separate entrance and exit doors to be implemented. All assemblies have been going ahead via video and will continue this way. 04.01.2021 TJS Gathering for assemblies should continue to be avoided. Remote only. 04.03.2021 TJS Assemblies to remain online until the end of the summer term. However, Year 6 leavers assembly to be 	L		✓

				considered nearer the event.19.05.2021 TW			
Educational Visits	Staff Pupils	Infection Control	<ul style="list-style-type: none"> Autumn term trips can commence, however they must be non-overnight trips only These trips should include any pupils with SEND connected with their preparation for adulthood. Make use of outdoor spaces in local areas Full suitable and sufficient risk assessments to be put in place for each trip No school off-site visits are permitted in National Lockdown. Educational trips are suspended until further notice. Day visits reintroduced from 12 April 2021. Overnight visits able to go ahead from 17 May 2021 in line with Government guidance. 	<ul style="list-style-type: none"> Existing YR5 residential trip to Shugborough in September 2020 to be rearranged. SS to action. Trip postponed, awaiting confirmation of a rescheduled date. SS 09.09.2020 New date of 26.04.2020 arranged. SS 30.09.2020 Gov advice still advises against overnight educational visits.Gov will review this in February 2021 with the possibility of resuming overnight residential from Easter 2021. TJS 02.12.2020 Educational trips are suspended until further notice 04.03.2021 Educational visits reinstated following Government guidelines. Year 6 visit to Alton Towers arranged. 19.05 Residential visits to be booked for September 2021 for years 5 and 6 19.05.2021 TW 	L	✓	
SEND Pupils	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> Pupils who have complex needs or who need close contact care, will continue as normal. A risk assessment will be required to ensure staff who care for these pupils do not have any medical 	<ul style="list-style-type: none"> Review if any additional Risk Assessments are required for staff. SLT to determine and action. 	M	✓	

			conditions which may put them in an at risk category.				
Attendance in schools	Pupils	Education suffering	<ul style="list-style-type: none"> It is vital for all children to return to school to minimise as far as possible the longer-term impact of the pandemic on children’s education, wellbeing and wider development. Parents’ duty to secure that their child attends regularly at school where the child is a registered pupil at school and they are of compulsory school age; Schools’ responsibilities to record attendance and follow up absence. The availability to issue sanctions, including fixed penalty notices in line with local authorities’ codes of conduct. 	<ul style="list-style-type: none"> Record required of staff and pupils in any group/bubble. This will be done via registers and timetables. SLT to ensure this is in place. 	L		✓
Use of Supply teachers and other staff	Staff Pupils	Risk of Infection	<ul style="list-style-type: none"> Inform supply staff of the arrangements and Risk Assessments in place. Consider using longer assignments for supply teachers and/or other staff Where possible minimise their movement around school and keep them in the same bubbles 	<ul style="list-style-type: none"> No requirements at present, keep under review. 	L		✓
Before and After school clubs	Pupils Staff	Infection Control	<ul style="list-style-type: none"> Should only be accessed by Parents for the following: <ul style="list-style-type: none"> The provision is being offered as part of the school’s educational activities (including catch-up provision) The provision is as part of their child’s efforts to obtain a regulated qualification or meet the entry requirements of an education institution The use of the provision is reasonably necessary to support them to work, seek work, undertake education or training, attend a medical appointment or address a medical need or attend a support group. 	<ul style="list-style-type: none"> Review the demand for this service. Consider use of 2 rooms to allow KS2 and KS1 to be separated. Current numbers in BC/ASC v low to allow this to be possible. SLT to monitor and review. TJS to ensure all pupils are booked in, in advance and all necessary forms have been completed before anyone 	M	✓	

			<ul style="list-style-type: none"> • Where possible keep pupils in their year groups or bubbles • Where not possible look at consistent small groups only. • Arrange for same staff to deliver before and after care provision to reduce risk. • Good ventilation maintained. • Wraparound provision can resume without any restrictions on the reasons for which they may attend (effective from 17 May 2021). 	<p>can attend BC/ASC. Done TJS/ongoing</p> <ul style="list-style-type: none"> • Gov guidance from 5 Nov reviewed and all After school provisions considered reasonably necessary to enable parents to: - work or search for work – undertake training or education. Will continue. • No change to the guidance therefore current arrangements in school remain in place. TJS 02.12.2020 • No change to the guidance therefore current arrangements in school remain in place. TJS 04.01.2021 • No BC/ASC in lockdown 05.01.2021 • No change to reopening guidance therefore previous arrangements reinstated. TJS 04.03.2021 			
Music Lessons	Pupils Staff	Singing Playing an instrument	<ul style="list-style-type: none"> • Look at reducing risk of using particular instruments and allowing large groups • If able can lessons take place outside • No sharing of woodwind instruments • Good Ventilation required • Singing, wind and brass playing should not take place in larger groups such as school choirs and ensembles, or school assemblies. 	<ul style="list-style-type: none"> • Entrust Instrument lessons not available for Autumn Term. Review if this becomes relevant. • For Rock It Music, keyboard or steel band only, no woodwind instruments. • Pupils to sit in side by side in rows. 	M		✓

				<ul style="list-style-type: none"> Rock it Music RA in place. 30.09.2020 TJS 			
Physical Activity	Pupils Staff	Infection Control	<ul style="list-style-type: none"> Outdoor sports where possible and contact sports avoided. Maximise distance between pupils Equipment used must be scrupulously cleaned after each use Encourage activities such as active mile. Indoor sports should be small groups only and social distancing carried out and all equipment cleaned after each group use. 	<ul style="list-style-type: none"> Sports days to be held wc 28.06.2021. Held in bubble groups, parents to be invited to attend socially distanced and outside. 19.05.2021 TW 	L		✓
Children requiring using the toilet.	Pupils Staff	Infection Control	<ul style="list-style-type: none"> Inform the child of the importance of washing their hands after using the toilet and where possible on their return to the classroom use the hand sanitiser on entering the classroom. Toilet areas cleaned on a regular and frequent basis. 	<ul style="list-style-type: none"> Bubbles 1 and 2 have use of their own toilets. Bubble 3 and 4 will share a toilet block, but toilets and sinks will be labelled for use by either Year 3/ 4 or Year 5/6. At lunchtime LTS's to monitor the number of children using the toilet from their bubble at any one time. New signage to be put up in toilets. TJS to action. Done 29.08.2020 TJS. Reviewed and redone 04.01.2021 TJS 	M		✓
Break times	Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> Children informed again of the importance of social distancing whilst outside. Staggered break times for individual bubbles or year groups if space is an issue. Look at providing activities which can abide by the social distancing rules. Supervising staff must keep a 2-metre distance from each other at all times where possible 	<ul style="list-style-type: none"> Children will be required to bring their own snack at breaktime. Will not be able to purchase from canteen. Children and Parents to be informed.TW to action. Done 01.09.2020 TW Break times will be staggered/ be in different areas. 	M		✓

Break Times – Staff Room	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Minimise the use of staff rooms where possible or a rota system in place if no other available rooms. • The staff room may be taken out of use and staff eat in other designated areas or stay in their bubbles. • Staff from different bubbles must sit at least 2 metres apart from each other • • Staff must make their own drinks/food and wash and dry their own cups and other crockery and utensils. • Staff must be able to heat food and make a warm drink 	<ul style="list-style-type: none"> • Chairs in staff room to remain taped off. Capacity in staff room increased from 3 to 6 persons at any one time. • Signs in staff room to be updated. TJS to action. Done 29.08.2020 TJS • Community Room to be put into use also with a capacity of 6 persons. Posters to be put up to advise re this. TJS to action. Done 29.08.2020 TJS • Reminder given in virtual staff meeting on 29.09.2020 that all staff to avoid contact within 2 m of other staff from other bubbles (or for under 15 mins if unavoidable). Minutes refer 30.09.2020 TW • Updated 'close contact' definition to be considered by all staff. Direct Contact includes – any contact within one metre for more than one minute. All staff to be aware. TJS 02.12.2020 	L		✓
Break Times Classrooms	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Whilst children are on breaks clean tables and door handles with a disinfectant or disinfectant spray. • Wear gloves whilst carrying out this task and wash hands after cleaning. • Dispose of all cloths in a closed bin and empty on a regular basis. 	<ul style="list-style-type: none"> • Covid caddie in all classrooms will provide all equipment they need. TJS to action. Done 29.08.2020 TJS • Dettol spray added to caddie for use on 'hard to wipe' surfaces. Done 29.08.2020 TJS 	M		✓

				<ul style="list-style-type: none"> Teachers to ensure cleaning undertaken in their classrooms. 			
Lunch breaks	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> Rota system in place for children to eat a hot meal / sandwiches Where possible encourage children, who are sandwiches only to eat outside (older children) or use of a designated area. This may be year groups and where possible keeping the bubbles apart as much as possible Tables and chairs to be cleaned between each year group using the dining hall. Lunchtime staff and kitchen staff to maintain social distancing where possible from children. 	<ul style="list-style-type: none"> Lunch will be served in a combination of the dining hall and bubble rooms as below: <ul style="list-style-type: none"> 12:00 Rec eat in Hall 12:00 Year 1 & Year 2 eat in classrooms 12:15 – 12:45 Year 3 & Year 4 eat in classrooms 12:45 – 13.15 Year 5 & Year 6 eat in Classrooms.(Updated from Hall to room for Years 5/6 following review of lunchtimes on 03.09.2020 TW). Adult food collection from kitchen for food to be eaten in classrooms. Only packed lunches to be served from kitchen initially. Take away 'hot meals' introduced wc 28.09.2020. Still need to be pre booked. Parents informed/Letters sent .30.09.2020 TJS Information to go to all parents advising re above and requesting sandwich choices for their children. To be actioned by JA. Done 29.08.2020 TJS LTS will be allocated to a bubble. Done. Additional 	M		✓

				staffing to allow this to happen. Done 01.09.2020 TW			
First Aid – minor treatment	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Try to assist at a safe distance from the casualty as much as you can and minimise prolonged face to face contact when dealing with injuries. • Where minor first aid treatment is required First Aiders must ensure they wear gloves and a face covering if prolonged face to face contact when dealing with injuries. • Where possible (age and maturity of child) ask them to wipe away any blood or hold cold compresses etc. • Ensure records of injury and treatment are recorded and who administered first aid treatments. • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly. 	<ul style="list-style-type: none"> • Staff providing personal or intimate care instructed on the safe “donning and doffing” of PPE. • Review personal care plans to assess PPE requirements based on individual circumstances. • First aid to be undertaken in ‘bubble’ where ever possible. • Additional KS2 playground ‘First Aid Station’ to be set up. TJS to action. Done 29.08.2020 TJS 	M		✓
First Aid – Life threatening	Staff Pupils	Spread of Infection due to close contact	<ul style="list-style-type: none"> • In the event of a serious injury or incident call 999 immediately. Tell the call handler if the patient has any COVID-19 symptoms • Wear face covering and gloves when in close contact or dealing with bodily fluids ADULTS • In the event of CPR being required it is advised only chest compressions are given if you believe the person may be infected or you choose not to want to give mouth to mouth cover their mouth with a cloth. • Use of a defib if available. • Always wash hands after contact 		M		✓

			<ul style="list-style-type: none"> • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly <p>CHILDREN</p> <ul style="list-style-type: none"> • In the event of CPR being required it is advised where possible to continue with the 5 rescue breaths and then chest compressions. • Use of a defib if available. • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly. 			
First Aid & Medication	Staff Pupils Others	First Aid Procedures	<ul style="list-style-type: none"> • First Aiders must always wear gloves when administering first aid procedures. • It is advisable a face covering is worn if having to deliver close contact first aid. (always refer to up to date information from Gov.UK) • Ensure records of administration are kept up to date and who administered the medication. • Any dressings used to be double bagged. • Where any medications are administered try and encourage the pupils to self-administer or consider wearing a face covering (always refer to up to date information from Gov.UK) • Always Wash your hands thoroughly with soap and water or an alcohol-based hand sanitiser as soon as possible after contact. • Ensure you safely discard disposable items and clean reusable ones thoroughly. 	<ul style="list-style-type: none"> • Review Assessment of First Aid Needs. • First aiders instructed on the safe “donning and doffing” of PPE. • Maintain stocks of PPE. Where this is not available contact Local Resilience Forum/LA. 	M	✓
Intimate Care	Staff	Lack of Infection Control	<ul style="list-style-type: none"> • When staff are carrying out any intimate care they must: (as per their usual requirements) • Wear gloves • Wear an apron 	<ul style="list-style-type: none"> • See individual Risk Assessments and EYFS section. 	M	✓

			<ul style="list-style-type: none"> • Wear a mask • Nappies, wipes etc. must be double bagged and placed into a bin (preferably a closed bin) • Soiled clothes to be double bagged and given to Parents on collection of child. • Staff must wash their hands once gloves and masks are removed • A poster to be displayed of instructions which must be followed. • Record all intimate care carried out. 			
Children who are upset	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Where a child is upset it is advised still trying to maintain a safe distance whilst offering comfort to child. • Encourage child to use a tissue to wipe eyes/nose etc. • If contact is required, consider short contact only. • Wash hands after contact 		L	✓
Children with behavioural issues	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> • Where possible allow the child to vent their frustrations • Where possible allow child to be in a room on their own or outside • If team teach techniques are required, and there is a risk of spitting it may be advisable advised to wear a face coverings. 	<ul style="list-style-type: none"> • Discussed in SLT on 28.09.2020. Staff advised on 29.09.2020 that separate members of SLT will deal with different children to minimise contact. 30.09.2020 TW 	M	✓
Pupils who are clinically extremely vulnerable or clinically vulnerable	Pupils	Risk of infection	<ul style="list-style-type: none"> • Pupils who are classed as CEV and have a letter confirming this will need to continue to shield until further guidance received. • Remote teaching and learning will resume for these Pupils 	<ul style="list-style-type: none"> • None known at this time. 04.03.2021 TJS 	M	✓
Staff who are extremely clinically vulnerable.	Staff	Ill health	<ul style="list-style-type: none"> • Staff who are classed as CEV and have a letter confirming this will need to continue to shield and work from home until further guidance received. • Staff living with persons who are CEV can still attend the workplace. 	<ul style="list-style-type: none"> • None known at this time. 04.03.2021 TJS 	M	✓

Staff who are clinically vulnerable or extremely clinically vulnerable.	Staff	Concerns Worry	<ul style="list-style-type: none"> Advice for those who are clinically-vulnerable, including pregnant women, is available. School leaders should be flexible in how those members of staff are deployed to enable them to work remotely where possible or in roles in school where it is possible to maintain social distancing. People who live with those who are clinically extremely vulnerable or clinically vulnerable can attend the workplace. 	<ul style="list-style-type: none"> All staff can still attend school under all three tier restrictions. TJS 02.12.2020 See update opposite under following the introduction of Tier 4. 04.01.2021 TJS 	M		✓
Pregnant Staff	Staff	Concerns Worry	<ul style="list-style-type: none"> As a general principle, pregnant women are in the 'clinically vulnerable' category and are advised to follow the relevant guidance available for clinically-vulnerable people. Staff and pregnant Pupils who are 28 weeks pregnant and beyond are at an increased risk and may fall in the CEV category. If CEV then you should follow Government shielding advice. Expectant mothers risk assessments must be carried out and risk control measures put in place. https://www.rcog.org.uk/en/guidelines-research-services/guidelines/coronavirus-pregnancy/covid-19-virus-infection-and-pregnancy/ Expectant mothers risk assessments must be carried out and risk control measures put in place. 	<ul style="list-style-type: none"> Where applicable, RA for pregnant staff will be reviewed in line with the 'Guidance for pregnant employees' published on 23.12.2020. TJS 	M		✓
Staff who may otherwise be at increased risk from COVID 19	Staff	Concerns Worry COVID 19	<ul style="list-style-type: none"> Some people with particular characteristics may be at comparatively increased risk from coronavirus (COVID-19), as set out in the COVID-19: review of disparities in risks and outcomes report. The reasons are complex and there is ongoing research to understand and translate these findings for individuals in the future. If people with significant risk factors are concerned, we recommend schools discuss their concerns and explain the measures the school is putting in place to reduce risks. School leaders should try as 	<ul style="list-style-type: none"> TJS to email all staff to ask them to contact TW if they have any concerns at all. Contain an outbreak	School Head Teacher	Not following advice	<ul style="list-style-type: none"> If schools have two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, they may have an outbreak, and must continue to work with their local health protection team who will be able to advise if additional action is required. 		M		✓
Ill health	Staff Pupils Others	Coronavirus Symptoms	<ul style="list-style-type: none"> Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, difficulty in breathing and high temperature, and are kept up to date with national guidance about the signs, symptoms and transmission of coronavirus. Any pupil or member of staff who displays signs of being unwell, such as having a cough, fever or difficulty in breathing, and believes they have been exposed to coronavirus, is immediately taken out of the class and placed in an area where they will not come into contact with others and are supervised at all times. The relevant member of staff calls for emergency assistance immediately if pupils' symptoms worsen. The parents of unwell pupils are informed as soon as possible of the situation by a relevant member of staff. Where contact with a pupil's parents cannot be made, appropriate procedures are followed in accordance with those outlined in governmental guidance. 	<ul style="list-style-type: none"> SENCo office/ meeting room and disabled toilet. Distribute LOCP to all staff. TJS to action. Sent to all in email on 28.08.2020. Also covered in training on 01.09.2020 TJS 	M		✓

			<ul style="list-style-type: none"> • Unwell pupils who are waiting to go home are kept in an area where they can be at least two metres away from others. • Areas used by unwell staff and pupils who need to go home are appropriately cleaned once vacated, using a disinfectant and care to be taken when cleaning all hard surfaces. • If unwell pupils and staff are waiting to go home, they are instructed to use different toilets to the rest of the school to minimise the spread of infection. • Any pupils who display signs of infection are taken home immediately, or as soon as practicable, by their parents – the parents are advised to contact NHS 111 immediately or call 999 if the pupil becomes seriously ill or their life is at risk. • Any members of staff who display signs of infection are sent home immediately and are advised to contact NHS 111 immediately or call 999 if they become seriously ill or their life is at risk. 				
Spread of infection	Staff Pupils Others	Lack of infection control	<ul style="list-style-type: none"> • Spillages of bodily fluids, e.g. respiratory and nasal discharges, are cleaned up immediately in line with guidance, using PPE at all times. • Parents are informed not to bring their children to school or on the school premises if they show signs of being unwell and believe they have been exposed to coronavirus. • Staff and pupils do not return to school before the minimum recommended exclusion period (or the 'self-isolation' period) has passed, in line with national guidance. • Pupils who are unwell are not taken on school trips or permitted to enter public areas used for teaching, e.g. swimming pools. 	<ul style="list-style-type: none"> • Letter reminding parents to all. • Posters already in place. • Pupil Risk Assessments to be place where necessary. CJ to action. 	M	✓	

			<ul style="list-style-type: none"> Parents notify the school if their child has an impaired immune system or a medical condition that means they are vulnerable to infections. The school in liaison with individuals' medical professionals where necessary, reviews the needs of pupils who are vulnerable to infections. Any additional provisions for pupils who are vulnerable to infections are put in place by the headteacher, in liaison with the pupil's parents where necessary. 			
Poor management of infectious diseases	Staff Pupils Others	Lack of infection control	<ul style="list-style-type: none"> Everyone is instructed to monitor themselves and others and look out for similar symptoms if a pupil or staff member has been sent home with suspected coronavirus. Staff are vigilant and report concerns about their own, a colleague's or a pupil's symptoms to the Headteacher or SLT as soon as possible. . The school is consistent in its approach to the management of suspected and confirmed cases of coronavirus. The school is informed by pupils' parents when pupils return to school after having coronavirus – the school informs the relevant staff. Staff inform the headteacher when they plan to return to work after having coronavirus. A nominated person monitors the cleaning standards of school cleaning contractors and discusses any additional measures required with regards to managing the spread of coronavirus. 	<ul style="list-style-type: none"> SS/KB to undertake on days not in class. Update provided by SS/KB re cleaning checks. Remain ongoing. 30.09.2020 TJS 	M	✓
Lack of communication	Pupils Staff Parents Others	Infection Control	<ul style="list-style-type: none"> The school staff reports immediately to the headteacher about any cases of suspected coronavirus, even if they are unsure. The headteacher contacts the local HPT or follows the advice given from and discusses if any further action needs to be taken. 		M	✓

			<ul style="list-style-type: none"> Schools put into place any actions or precautions advised by their local HPT. Schools keep staff, pupils and parents adequately updated about any changes to infection control procedures as necessary. 			
Cleaning while school open	Staff	Infection Control	<ul style="list-style-type: none"> All hard surfaces to be cleaned on a regular basis, this will include <ul style="list-style-type: none"> All door handles All tables and chairs used by staff and pupils Toilet flushes and regular cleaning of toilets. These should be carried out as a minimum of twice a day All classrooms to have spray disinfectant and where possible disposable cloths. If disposable cloths are not available use once and then put in wash. Regular cleaning of surfaces will reduce the risk of spreading the virus. All used cloths thrown away to be double bagged and then placed in a secure area i.e. lockable bin. 	<ul style="list-style-type: none"> Doors left open where possible to minimise contact Toilets to be wiped down regularly. Schedule/check lists in place. Cleaners aware of double bagging. 	M	✓
Estates	Staff Pupils	Health & Safety Infection Control	<ul style="list-style-type: none"> Site Staff to ensure school is safe and ready for opening in Autumn term All statutory testing and in-house testing carried out. Ensure there are plenty of wash areas for staff and pupils to wash hands Ensure Legionella risks have been managed and all appropriate testing carried out. 	<ul style="list-style-type: none"> All statutory inspections have been kept up to date throughout Done 29.08.2020 TJS Separate RA for Site staff. 	M	✓
Statutory Tests and Inspections	Staff Pupils	Health & Safety Infection Control	<ul style="list-style-type: none"> Statutory inspections to continue but with social distancing in place at all times. In-house inspections should continue to ensure the school remains as safe as possible. Contractors to be permitted into school following safe distancing measures and providing COVID 19 risk assessments. 	<ul style="list-style-type: none"> Statutory inspections continue to arranged outside of core school hours wherever possible (ie before 8.45am or after 3.15pm). TJS 	L	✓

Ventilation	Staff Pupils	Infection Control	<ul style="list-style-type: none"> Any ventilation equipment to be inspected as per manufacturer's guidelines to ensure it remains in full working order. Use natural ventilation, by opening windows. If temperatures are low, open windows just a little while lessons take place, and open wide during breaktimes. Encourage pupils and staff to wear more layers. Ensure there are no direct cold draughts onto pupils or staff. Keep doors open. 	<ul style="list-style-type: none"> All statutory inspections are up to date for air conditioning unit.- Server Rm 04.03.2021 TJS 			
Contractors in school	Staff Pupils	Health & Safety Infection Control	<ul style="list-style-type: none"> Where contractors are coming into school they must have up to date Risk Assessments and Method Statements. Control measures regarding the Coronavirus must be included within their RAMs. School to ensure no pupils or staff are in the area where contractors are working. Contractors will be designated a toilet they can use whilst on site. Contractors will be responsible for removing all rubbish they have created and to clean their area of work prior to leaving. They must ensure no workers are displaying any signs or symptoms of Coronavirus prior to entering the school site. If they become aware of a contractor coming down with symptoms within 14 days of being at the school they must inform the school immediately. 	<ul style="list-style-type: none"> A record of all visitors attending school must be kept for 21 days. TJS/JA to ensure. 	M		✓
Emergencies	Staff Pupils	Infection Control	<ul style="list-style-type: none"> All staff and pupils' emergency contact details are up-to-date, including alternative emergency contact details, where required. Pupils' parents are contacted as soon as practicable in the event of an emergency. 	<ul style="list-style-type: none"> Kept via SIMS. Updated version of whole school contacts to be in put in emergency grab bag and a copy held with SLT. JA to action 	M		✓

			<ul style="list-style-type: none"> Staff and pupils' alternative contacts are contacted where their primary emergency contact cannot be contacted. 			
Mental Health and well being	Staff	Anxiousness	<ul style="list-style-type: none"> Talk openly with workers about the possibility that they may be affected and tell them what to do to raise concerns or who to go to so they can talk things through Involve workers in completing risk assessments so they can help identify potential problems and identify solutions Keep workers updated on what is happening so they feel involved and reassured. 	<ul style="list-style-type: none"> Well-being staff survey to be carried out Summer Term 2 on the direction of Governors. 	M	✓
Staff taking leave	Staff	Short staffed Isolating	<ul style="list-style-type: none"> There is a risk that where staff travel abroad, their return travel arrangements could be disrupted due to factors arising beyond their control in relation to coronavirus (COVID-19), such as the potential for reinstatement of lockdown measures in the place they are visiting. Where it is not possible to avoid a member of staff having to quarantine during term time, school leaders should consider if it is possible to temporarily amend working arrangements to enable them to work from home. 		M	✓
Volunteers in school	Pupils	No DBS checks	<ul style="list-style-type: none"> Under no circumstances should a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity. Mixing of volunteers across groups should be kept to a minimum, and they should remain 2 metres from pupils and staff where possible. 		M	✓
Safeguarding	Pupils	Incidents	<ul style="list-style-type: none"> Always follow the statutory safeguarding guidance Designated safeguarding leads and deputies provided with more time in the first few weeks of term to help support staff and children regarding any additional or new safeguarding referrals Communication with other agencies and school nurse for pupils not seen in school prior to return. 		M	✓

Contingency Plans for Outbreaks	Pupils Staff	School shutting	<ul style="list-style-type: none"> • In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. • Schools will also need a contingency plan for this eventuality. • This may involve a return to remaining open only for vulnerable children and the children of critical workers and providing remote education for all other pupils. • Even if the governments' Contingency Framework is applied, Primary Schools remain open unless instructed differently by the DfE. • Advice will be taken from the LA should school become too shorted staffd to continue. 	<ul style="list-style-type: none"> • School has Emergency Policy which includes Business Continuity. If an outbreak was to happen school would follow the advice as detailed in the 'Manage confirmed cases of Coronavirus amongst the school community' guidance from the DfE and would potentially revert to the 'Vulnerable only Risk Assessment' .
