

### ***In Geography we will:***

- Explore India and where it is in the world
- Investigate the mountain ranges found in India
- Learn about major rivers
- Identify human and physical features of cities in India

### ***In Science we will:***

- Identify that animals, including humans, need the right amount of nutrition
- Identify that humans and some other animals have skeletons and muscles for support, protection and movement

### ***In Computing we will:***

develop our skills in using the iPads for specific purposes

### ***In PE we will:***

be developing our skills in Gymnastics.

### ***In Music we will:***

continue to have a specialist music teacher providing weekly lessons with a variety of instruments.

### ***In English we will use the text 'Elephant Dance, A Journey to India' by Theresa Heine to:***

Write a Recount  
Write a Setting Description  
Non-Chronological Report

#### *In addition:*

- Spellings and handwriting will be practised regularly
- Accelerated Reader will continue for children to quiz on books they have read.

## ***Year 3 Incredible India!***

### ***In RPSHE we are learning to:***

- Tell a person about difficult challenges and success
- Identify a dream or an ambition
- Enjoy facing new challenges
- Be motivated and enthusiastic about achieving a new challenge

### ***In Maths we will learn to:***

- Recall multiplication tables 2x,3x,4x,5x,8x,10x
- Add two 3 digit numbers with no exchange
- Add two 3 digit numbers with exchange
- Subtract two 3 digit numbers with no exchange
- Subtract two 3 digit numbers with exchange
- Problem solve using addition and subtraction
- Multiply and divide by 3, 4 and 8

#### *In addition*

- We will continue to build fluency by recapping number facts and strategies daily.
- Numbots and TT Rock Stars will be used weekly

### ***In COJO we will continue to build our character traits of:***

- Resilience, empathy, self-awareness, passion, excellence, communication and teamwork.

### **In Geography we will:**

- Explore India and where it is in the world
- Investigate the mountain ranges found in India
- Learn about major rivers
- Identify human and physical features of cities in India

### **In Science we will:**

- Describe the simple functions of the basic parts of the digestive system in humans
- Identify the different types of teeth in humans and their simple functions.
- construct and interpret a variety of food chains, identifying producers, predators and prey

### **In Maths we will learn to:**

- Measure and calculate the perimeter of a rectilinear figure (including squares) in centimetres and metres - convert between different units of measure (for example kilometer to metre) - find the area of rectilinear shapes by counting squares
- Recall and use multiplication and division facts for multiplication tables up to 12 x 12 - Count in multiples of 6,7,9, 25 and 1,000 - Use place value, known and derived facts to multiply and divide mentally including; multiplying by 0 and 1; dividing by 1; multiplying together three numbers - Solve problems involving multiplying and adding, including using the distributive law to multiply 2-digit number by 1-digit; integer scaling problems

### **In Computing we will:**

develop our skills in using the iPads for specific purposes.

**In PE we will:** be developing our skills in Gymnastics and continuing with Swimming to achieve our badges.

### **In Music we will:**

continue to have a specialist music teacher providing weekly lessons with a variety of instruments.

**In English we will use the text 'Elephant Dance, A Journey to India' by Theresa Heine to:**
