# Welcome to the Early Years Foundation Stage at Doxey Primary School.

Working together we aim to:

- Provide a friendly, caring and secure environment
- Encourage children to respect and value themselves and others
- Provide stimulating, interesting and fun learning experiences
- Promote exploration and imagination
- Encourage children to become confident, independent and creative learners
- Work closely with parents to develop successful home-school links

We want your child to have many positive, enjoyable and stimulating learning experiences during their time with us. We work closely together to ensure the progression and continuity throughout the Early Years Foundation Stage.

# Sparkles

Sparkles is situated at the front of the school in a well equipped, bright and stimulating room. It is a self-contained unit with a large outdoor area. The children have free flow access to the indoor and outdoor environments throughout the session.

Sparkles is run by Miss Bacon, a experienced Early Years Practitioner, who works with Miss Thomson and Mrs Garbett to provide an enriched curriculum for the children.

Sessions are available for 2-3 year olds, every morning from 8.45am and every afternoon from 12.15pm or children can stay for a full day. The Sparkles staff open the gate at 8.40am to welcome the children into Sparkles.
