

In History, we will learn about Olympians throughout History. We will:

- Choose reliable and useful sources of evidence and start to give reasons; are artefacts a good source to use?
- Give clear reasons why there may be different accounts of history; for example from the perspective of philosopher, women, slave
- Analyse, evaluate and refine our own questions; how do we know what role women had in this society?
- Follow our own line of historical enquiry.
- Describe the main changes within a period of history (political, technological and cultural) & how did this era advance civilisation as we know it today?

In Computing, we will;

- Review and evaluate a computer game
- Create a setting and characters for our own computer game
- Decide and change any animations and sounds

In Religious Education, we will learn about: Wise Words

In PE, we will be learning the skills and rules of rounders

In Music we will continue to have a specialist music teacher providing weekly lessons with a variety of instruments.

In English, we will use the text *'Who let the Gods out?'* by Maz Evans to:

- Answer an advert for a job on the 'Zodiac council' which features in the book by writing a persuasive letter
- Rewrite a section of the story from a different characters point of view

In addition:

- Spellings/handwriting will be practised regularly.
- Accelerated Reader will continue for children to quiz on books they have read. Quizzes can be done at home too.

Year 5 - Eureka!

It's all Greek to me!

In Maths, we will learn:

- Continue learning about fractions- adding and subtracting fractions with the same and different denominators
- Adding and subtracting mixed numbers
- Multiplying fractions with the same denominator
- Finding fractions of a number
- decimals and percentages

In addition

- we will continue to build fluency by recapping number facts and strategies daily.
- TTRockstars will continue to be used.

In Science, we'll be learning about Properties and changes in Materials. We will;

- compare and group together everyday materials on the basis of their properties, including their hardness, solubility, transparency, conductivity (electrical and thermal), and response to magnets
- know that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution

In RPSHE, we will be learning about Relationships and we'll learn: how to make friends and solve friendship problems. We will learn how to make people feel included.

In COJO, we will continue to build our character traits of: Resilience, empathy, self-awareness, passion, excellence, communication and teamwork.

We will focus on:
Communication

Doxey Primary School

In History, we will learn about Olympians throughout History. We will:

- Choose reliable and useful sources of evidence and start to give reasons; are artefacts a good source to use?
- Give clear reasons why there may be different accounts of history; for example from the perspective of philosopher, women, slave.
- Analyse, evaluate and refine our own questions; how do we know what role women had in this society?
- Follow our own line of historical enquiry.
- Describe the main changes within a period of history (political, technological and cultural).

In Computing, we will;

- Learn about E-safety
- Learn to create our own Quizzes.

In Religious Education, we will learn about: Wise Words

In PE, we will be learning about Striking and fielding. We will learn to master basic movements including running, jumping, throwing and catching and begin to apply these in a range of activities.

In Music we will continue to have a specialist music teacher providing weekly lessons with a variety of instruments.

In English, we will use the text *Who let the Gods out?* by Maz Evans to:

- Write a persuasive letter; write a recount and a narrative.
- practise grammar skills and learn new sentence types to include in our writing.
- answer comprehension questions to develop our understanding of the text.

In addition:

- Spellings/handwriting will be practised regularly.
- Accelerated Reader will continue for children to quiz on books they have read. Quizzes can be done at home too.

Year 6 -

Eureka! It's all Greek to me!

In Maths, we will learn:

- Algebra
- Imperial and Metric Measures
- Perimeter, Area and Volume
- Ratio and Proportion

In addition

- we will continue to build fluency by recapping number facts and strategies daily.
- TTRockstars will continue to be used.

In Science, we'll be learning about Properties and changes in Materials. We will;
