

**Doxey Primary School**

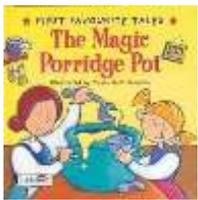

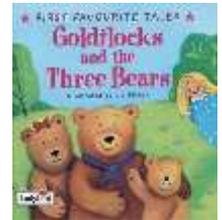

Learning values, achieving goals

Respect, Self-belief, Pride, Perseverance, and Curiosity

Dear Parents

Welcome back to the start of the Spring term, I hope you have all had a lovely Christmas and best wishes for the new year.

This term we will be learning about Traditional stories. Our first story was 'Goldilocks and the Three Bears'. We found out about the characters and events in the story and used puppets and toys to act out the story with our friends. Encourage your child at home to join in with repeated parts of the story 'Someone's been eating my porridge? It's just right' and many more familiar sentences from the story.

This week we have been learning the about the 'Magic Porridge Pot'. We explored porridge with our senses and the children have learnt how to use a microwave to make their own porridge.

### **Bedtime Story Bears**

This term we have Bertie and Bella our Bedtime Story Bears visiting our class. Each child will get a turn to bring a bear home for the night. The bears will come in their pyjamas and bring a selection of familiar story books, ready to snuggle up at bedtime and listen to a bedtime story with your child. Please take a photo of your child with the bear at home so we can make a display of their adventures. You can either print out the photo and send it in or email it to [office@doxeyprimary.co.uk](mailto:office@doxeyprimary.co.uk) and we will print it out in school.

### **Family Photo**

Just a reminder, if you haven't already sent in a photo, we would like a family photo of your child to display in Nursery. If you have any old frames you no longer want, we are also collecting unwanted frames to use in the display.

### **Bedding Plant Donations**

We will also be adding a splash of winter colour to our flower pots this term. If you have any spare bedding plants at home, any donations will be gratefully received.

### **The Cold Weather**

We will continue to learn outside when the weather is dry, please make sure your child has a warm winter coat, hat, scarf and gloves in Nursery at all times.

Kind regards

Mrs Monaghan
