On Thursday 3rd October, we received the following information from the Flu Immunisation Team...

Dear School

'It is with great regret we need to inform you that any schools which have planned sessions from 7th -11th October will need to be rearranged. This is due to an unavoidable delay in receiving our Fluenz vaccine supply, this is completely beyond the control of our team. We are currently working hard to plan the rescheduling of affected schools and as such are not able to provide you with an alternative date at the current time. However, we aim to inform you of your alternative date by 11/10/2019. Could you please cascade this message to parents any queries please do not hesitate to contact the team.'
