With regards to messaging we would just like to clarify how to use them:

**DO...**

- message your child's teacher if you want to share something positive from home or congratulate your child on something they have done in school
- message your child's teacher if you have a small query or would like to find out something simple
- message on Class Dojo to ask the teacher if you could arrange to see them – they will then contact you at a convenient time.
- use Class Dojo for any general day to day communication

**DON'T...**

- *Please do not message your child's teacher to notify them of absences or illnesses – this should be done via the school office as normal*
