Attendance

As a school we have a responsibility to inform **parents of their child's attendance.** Parents have a legal responsibility to ensure regular school attendance which is deemed to be around 95%.

If a child's attendance falls below this percentage we have a responsibility to work with families to improve attendance.

We are monitored by the Local Authority and have to show we are monitoring school attendance and taking action where needed.

If you have any concerns regarding attendance please do not hesitate to contact the school to discuss this further. We want to work with you to prevent your child missing valuable education.
