

The Doxey Digest

Friday 15th September 2023

The last week has involved lots of getting to know you activities, launches of new mini missions and time spent understanding the new behaviour policy.

Year 5 and 6 children really enjoyed their launch afternoon last week for their mini mission learning- Lest We Forget. They took part in food tasting where they tasted some war time food (Spam was a surprising favourite!) They also worked together in teams to solve Morse code messages and make air raid shelters and lighthouses.

"It all began this morning in the King's baker's house in Pudding Lane". Year 1 have started their learning all about the Great Fire of London.

Sparkles were excited to come back to school to find their tomato plants had grown. They worked together as a team to pick the tomatoes. The children have been thinking of things they can make. They have decided to make pizzas—yummy!

The School Rules

- Be Ready - Be Respectful - Be Safe
Please ask your child to explain what these mean in their classroom.

Message from the Head

I have thoroughly enjoyed my first week at Doxey. Your children are lovely! I am getting to know names and have loved seeing lots of fantastic learning from them.

Notices

After school clubs will start next week. You should have received information about these and will know if your child is in a club. There is also a variety of clubs which run at lunchtime. Ask your child to tell you about them!
