

The Doxey Digest

Friday 22nd September 2023

Mrs Page has recently gained her Forest School Leader qualification. This means all children will now be enjoying regular Forest School sessions

Year 4 enjoyed learning French verbs by playing Snap!

Reception have read the book— 'The Colour Monster' and are exploring different feelings. The children had lots of fun making different expressions for different feelings like being happy, sad, angry and calm. They are also demonstrating brilliant co-operative skills by working together on activities.

To find out more about Forest School, have a look at this website:

<https://forestschoollassociation.org/>

More information will appear on our website soon.

Consequence System

The majority of children follow the school rules beautifully.

For children who do not, there is a clear consequence system:

- ⇒ Prompt
- ⇒ Reminder
- ⇒ Last Chance
- ⇒ Time out
- ⇒ Restorative conversation and then they miss part of their break time

Message from the Head

Every Friday, each teacher chooses a child to join me for lunch (and a special treat). This is to celebrate those children who always go above and beyond in their learning.

Notices

Keep checking the website. There will soon be a video of our first three weeks at school.

Dates

27.09.23— 29.07.23	Y5 Residential Laches Wood
