

The Doxey Digest

Friday 17th November 2023

Sparkles learnt about Remembrance this week. They worked together to create a large poppy banner, using paint and sponges. They were very proud of their achievements!

Year 5 are learning to play tennis. This week they have been hitting the ball with purpose and varying speed, height and direction.

Be Respectful

Being respectful is important both in school and beyond. Children show they are respectful by:

Following instructions

Treating others with respect

Using manners all the time

Using equipment appropriately

In creative book club we read the book, 'A Superhero like you.' There are many people who help us, such as doctors, firefighters and many more!

We thought about what we would like to be when we grow up. We then built a model related to the job.

In preparation for their showcase, year 4 have designed and made Roman shields.

These will become their props during the song they are learning 'like a Roman'.

David Wilson Homes have donated reflective tags to KS2 children to help keep them safe on their journey home from school.

Notices

Please start to look out for information from the PTFA regarding upcoming events.

Y2: 97%	Y3: 90%
Y4: 94%	Y5: 95%
Y6: 95%	

Message from the Head

It has been lovely see so many children embrace the new homework. Lots of extra practice will help children become more fluent with these areas.
