Thank you to everyone who donated bottles for the Christmas Fair Bottle Tombola. Year 6 were the winning year group with a whopping 47 bottles. They were treated to hot chocolate and biscuits from the PFTA. McDonalds kindly donated some festive cups for the children to top off their celebration!

To celebrate World Nursery Week, some year 4 and 6 children sang rhymes with the children in Sparkles. The older children were great role models to our younger children! Thank you!

Year 2 have been using concrete apparatus to help them learn how to add 2 digit numbers.
