

The Doxey Digest

Friday 8th December 2023

The school choir performed at St Mary's Church last night as part of their Christmas Tree Festival. The children were amazing and did everyone at Doxey proud!

We have a new music teacher in school. Mr Bolton is a hit with all the children. He gets them up dancing, joining in with his guitar playing and the children are making great progress on the keyboards!

Relationships

Relationships are very important to us here at Doxey Primary School. Children learn better and are able to self regulate when they feel comfortable with the people around them. Staff ensure they know the children in their class well. They greet them every morning and talk to them on a personal level as well as about learning.

This week Year 5 have been exploring the views of characters' within the text- The Journey. The children put themselves as the character and completed a drama activity where the

other children asked questions.

Jack Frost has definitely been busy this week, as we have experienced a change in temperature. Nursery wrapped up warm and enjoyed a very cold 'Wellie Wednesday' this week, exploring the ice and frost around school.

Notices

Assembly has moved to 9am every morning. The playground gates will be closed before this. Please arrive as close to 8:45 as possible. This is the time that classroom doors open.

Class percentages:

Y1M : 94% Y1C: 89%
Y2: 91% Y3: 91%
Y4: 94% Y5: 91%
Y6: 94%

Message from the Head

Last night saw my first Doxey outing to St Mary's church in the town centre. I was a very proud Headteacher. Proud to be part of Doxey Primary School! It was an brilliant start to the count-down to Christmas.
