

The Doxey Digest

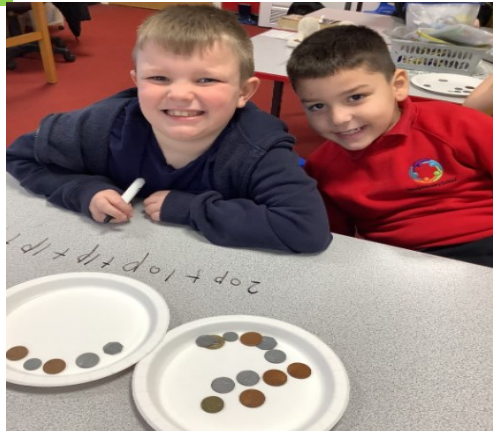

Friday 9th February 2024

Mix a pancake, stir a pancake, pour it in a pan, fry a pancake, toss a pancake, catch it if you can! The Nursery children had lots of fun trying to toss and catch the pancakes this morning. They

started the day with a special pancake breakfast - it was delicious!

Year 2 have been learning all about money in Maths. They have enjoyed making the same amount different ways with a partner and adding pounds and pence together.

Year 1 have learned about which countries make up the United Kingdom. It was fun putting the jigsaw together to show what the United Kingdom looks like. Also they learned songs with the country names in. The children would like to practise these at home!

Today has been RE day across the school. We have been learning about lots of different religions. Year 5 learned about different faiths and they have been exploring a range of stories about the beginning of the world.

Message from the Head Half way through the year and we have made progress with so many things: new behaviour system, new English Curriculum, new PTFA, Sensory Circuits, new Quiet Room and Library (with lots of new books ready to fill it), homework, new teaching and learning approach implemented and Achievement Awards (which the children love).

Lunchtime Supervisor

We are currently recruiting for a new Lunchtime Supervisor. If you are interested (or know anyone who may be interested) please pick up an application form from the School Office.

Pram to Primary course

After half term we are working with 'The Family Hub' who will be running a 'Pram to Primary' course in the Community Room. This is an informal course to support with all aspects of parenting. Please contact Mrs Jones for more information.

Parking

PCSO Fry has requested that we remind parents to park considerately (and not on the zig zags) when dropping off and collecting children. Can we also ask parents to use a marked bay when parking on the staff car park.
